HISTORY OF COMPANY

The Firm was incorporated in the year 1998 named Kadivar Mahmadbhai Amibhai with having a proprietorship. The firm was incorporated in the year 2015 with having three Directors namely Ashifiqbalbhai, Mahmadbhai and Arshadayubbhai. The firm is among the first one in the village who is handling such a giant business of service provider of Renewable Sector. The firm has done this type of work all over the India and earned a sufficient name in the name of Kadivar Electrical Private Limited.

The firm has started the work with GEB (Gujarat Electricity Board) for the work of REC Subdivision and O & M Subdivision of Wankaner Taluka, Dist-Morbi, Gujarat State. The firm has worked with GEB since 1998 to 2012.

In 2012, we have started work with Kintech synergy who is developer in Gujarat and we worked for the company with their client ReGen Power, Vestas and Veer Energy. And also worked with Arya Electrical Company who has worked for the Suzlon Energy. We have done cabling work for 150 locations of Suzlon in Kutch Gujarat area.

We have also established our new venture with name of Masum Star Electric Private Limited (2011) and also worked under this firm for 11KV line, LT line, HT Line and Sub-station works. After Both firm have got successful journey we have started our Directorship firm as name on Kadivar Electrical Company and it's details are as under for your reference and record and knowledge.

Services Being Offered

We being one of India's leading developers are equipped to offer our services in the following areas in Gujarat state.

■ Land acquisition, WRA, Load Flow Study

We may undertake the work of acquisition of Government / Forest or private land in any part of Gujarat state followed by WRA (Wind Resource Assessment) of the sites of interest. We are providing load flow study in nearest suitable substation of wind farms.

In fact we may arrange to have wind data for the specific site before taking up the land Acquisition. The acquisition can be undertaken followed by all necessary permission as per concerned laws / bylaws etc.

■ Liasioning Services

We can also undertake the liasoning with government nodal agency like GEDA for project Approval, grid connectivity permission from state electricity board viz, GETCO, CEIG, PGVCL, GUVNL etc. and revenue authority of state government i.e. gram panchayat, Mamlatdar, Dy.Collector, Dist Collector, DIC, Health, R&B, forest etc..

■ Execution Work

With our geared up infrastructure and manpower, we, Kadivar Electrical, can undertake the Development of substations, overhead HV / EHV electrical lines, internal as well external roads And civil foundation. We would like to render our techno commercial offer on later stage once the area of specific Interest is finalized followed by preliminary discussion among us on your requirement.
